

This year you decide on your financial future

In the year you turn 58, you need to make an important decision about your pension. This is a provisional choice about whether you want to have a fixed or variable pension later. You make your final decision when you retire.

Choose before 1 december

We'll help you make a conscious choice. Read all the information first, then make your decision!

E-learning

The e-learning contains a lot of information to help you choose between a fixed or a variable pension.

Brochure & video's

Watch the helpful videos and read the brochure about the choice you need to make.

Example calculation

On 3 October, you'll receive a personalised example calculation in your archive on my-Shellpension. We will notify you as soon as it's ready for you.

Q&A

Join our 'Ask me anything' session on 10 October (NL) or 14 November (UK). You can ask questions about the provisional choice you need to make. You will receive an invitation with details soon.
