

This year you decide on your financial future

In the year you turn 58, you need to make an important decision about your pension. This is a provisional choice about whether you want to have a fixed or variable pension later. You make your final decision when you retire.

CHOOSE BEFORE 1 DECEMBER

We'll help you make a conscious choice. Read all the information first, then make your decision!

The brochure

Here we explain in clear language the differences between a fixed and variable pension.

Videos

Watch the helpful videos and get answers to frequently asked questions on www.shellpension.nl/cvp.

Example calculation

On 8 October, you'll receive a personalised example calculation in your archive on my-Shellpension. We will notify you as soon as it's ready for you.

Webinar

Join the "Decide on your financial future" webinar on 22 October. We'll give additional information and you can ask questions. You will receive an invitation with details soon.

A FIXED OR
VARIABLE
PENSION?

Let us know your choice

Besides the personal example calculation, you will also find the pension choice form in your archive on my-Shellpension. Please return this form to us before 1 December. Make a conscious choice.
